## !!!!PayPal Returns!!!!

Some months ago, we were successful in inserting a functioning PayPal DONATE button on the TAKE CARE!! web site ([www.takecarepattaya.com](http://www.takecarepattaya.com)). Subsequently, PayPal management cancelled our PayPal connection, requesting additional documentation regarding our NGO status. Following considerable back-and-forth, during July, that status was reconsidered by PayPal and we have been successful in getting the PayPal DONATE button reactivated on the TAKE CARE!! website.
